The Business Philosophy of Sindu Trading and Projects

Sindu Trading and Projects is a multi-disciplinary business entity committed to providing professional services to clients with a focus on maximizing client satisfaction. Established in 2013 Sindu Trading and Projects is a 100% black owned company.

It is our commitment to our clients, which has won us trust and respect; along with the fact that the solutions we offer continually surpass client expectation. The current business environment is increasingly becoming competitive and special attention should be paid to the diverse needs and demands which are unique from client to client in order to curb the challenging, turbulent and unpredictable changes as the new economy is being driven by globalization. Our secret lies in the fact that we also learn and acquire the aptitude to deliver mission critical projects on time, which is key and is our primary focus.

We are professionals in our field and we are proud of the excellent level of personal service we provide to our clientele as we are dedicated to our business and our way of exertion. Consistency is our middle name to deliver superior value and provide competent solutions to our clients' business challenges.

CORE MISSION

Our mission is to provide quality service at an accelerated pace in the supply, construction and marketing industry contributing to economic value of our communities and the country at large. By meeting the client's needs, we ensure value-adding and prosperity to our customer's bottom line by:

- | Promising to deliver and maintain high ethical standards whilst pursuing sound business practices.
- | We give our clients a pleasant, satisfying and straightforward experience of using our services by following simple, streamlined processes and communicating in a way that they understand.

UNPARALLELED VISION

Our vision is to be the leading supply, construction and marketing company in Africa. And to provide the efficient service to our stakeholders while caring for the employees as well. Driven by a clear vision of the future - for our clients, our business and our profession:

- | Our products and services deliver consistent and predictable results, which always provide a return on investment that either meets or exceeds realistic projections.
- | To always create a positive and supportive environment for our staff and partners where they are encouraged to grow personally and professionally and reach their own goals.

COMPANY GOALS AND OBJECTIVES

Our objectives are clear-cut from the beginning. These are to offer a service that solves the customers' needs first and foremost as well as operate in accordance with the highest standards of professionalism and integrity in dealing with our Clients to meeting or exceeding expectations. Furthermore, we believe that we must develop strong and positive relationships, which will mutually be beneficial to everyone that we do business with. One of our key strategies is to develop market penetration methods and distribution techniques that enhance speedy delivery of service.

- To be efficient.
- Ensure client satisfaction all time.
- To provide quality services for the benefit of our clients.
- To make a contribution to a number of unemployed citizens.
